Subject	Future Mole Valley Local Plan – updating the Local Development Scheme.
----------------	--

RECOMMENDATION

To approve the revised Local Development Scheme 2019 (appendix 1).

EXECUTIVE SUMMARY

Although good progress has been made on aspects of the Plan, some delay has built up such that an update is now required to the timetable for progressing the Local Plan. A revised Local Development Scheme is proposed that seeks to strike a balance between bringing forward the Local Plan as quickly as possible while allowing sufficient time for evidence gathering and Member discussion, and which schedules public consultation in an appropriate period.

CORPORATE PRIORITIES

ENVIRONMENT: a highly attractive area with housing that meets local need

- Protect and enhance the natural and built environment through land designations and policies
- In consultation with the community, develop plans for how land is used in Mole Valley, setting out proposals for residential, leisure, and commercial development, which balance residents' needs with protection of the Green Belt
- Pursue policies that encourage the creation of affordable housing
- Work with other agencies to protect the District from the effects of climate change and environmental pollution, paying particular attention to flooding and air quality

PROSPERITY: a vibrant local economy with thriving towns and villages

- Continue to drive the transformation of Leatherhead Town Centre and support the market-town culture and economy of Dorking
- Work with rural communities and businesses to build on their unique strengths and

address their challenges, helping them thrive and become more sustainable

- Adopt a pro-business outlook across the District addressing infrastructure needs which balance the needs of residents and local businesses

COMMUNITY WELLBEING: active communities and support for those who need it

- Improve opportunities for residents to live safe and healthy lives

The Cabinet has authority to determine the recommendation

1.0 Local Development Scheme

- 1.1 The timetable for progressing the Future Mole Valley Local Plan is set out the Local Development Scheme (LDS). This was last updated in November 2018.
- 1.2 Good progress has been made on the detailed work needed to advance the Local Plan but given the change to the administration in May 2019, it is necessary to pause to review progress so far and agree the direction forward. It is desirable to schedule public consultation on the draft 'preferred options' Local Plan so that it does not run over the main public holiday period in August. It is also necessary to strike a balance between progressing the Plan and allowing sufficient time for evidence gathering and debate amongst Members. The Cabinet wishes to involve all councillors in reaching a decision on the draft Local Plan and will seek to use existing working group meetings and/or seminars as well as the formal reporting process in providing opportunities for discussion. Although there is no constitutional requirement for Council to approve the draft Plan prior to consultation, the Cabinet is minded to seek approval in this case because of the wide ranging nature of the Local Plan.
- 1.3 For those reasons, it is recommended that the LDS be updated to reflect the new timetable (see appendix 1). This will help local communities and interested parties to keep track of progress on the Local Plan and anticipate opportunities for engagement. There remains strong pressure on local planning authorities to develop and adopt local plans in a timely manner, with the Government reserving powers to intervene if that is not done. The revised LDS will demonstrate MVDC's continued intention in adopting a Local Plan in a realistic and planned manner.
- 1.4 The evidence underpinning the Local Plan will also be used to support revision of the Community Infrastructure Levy charging schedule. The timing of this document has been accordingly adjusted and is included in the revised LDS.

2.0 Financial Implications

- 2.1 Funding of the Local Plan review had been budgeted as part of the Planning Department's work, including additional one-off funding for consultant support made in the 2019/20 financial year. Further one-off funding will be required for the examination in 2020/21 and has been built into the medium term financial plan.

3.0 Legal Implications

- 3.1 The form and content of development plan documents and consultations on them are subject to the provisions of the Town and Country Planning (Local Planning) (England) Regulations 2012 and related legislation.
- 3.2 The revised Local Development Scheme has been prepared to meet the requirements of Section 15 of the Planning and Compulsory Purchase Act 2004 (as amended).

4.0 OPTIONS

4.1 The options are:

- To agree the revised Local Development Scheme (recommended)
- To agree an alternative timetable for progression of the Local Plan

5.0 CORPORATE IMPLICATIONS

Monitoring Officer commentary – The Monitoring Officer is satisfied that all relevant legal implications have been taken into account.

S151 Officer commentary – The s151 Officer confirms that all relevant financial risks and implications have been taken into account.

Risk Implications - An alternative timetable for progressing the Local Plan could, if quicker, lead to publication of a Plan that was incomplete or lacking supporting evidence, and insufficiently debated by Members. If the alternative timetable was longer than recommended, without good reason for delay, this may risk the Government intervening to impose a plan.

Equalities Implications – Not required at this stage. An equalities impact assessment will be carried out as necessary on the future draft Plan.

Employment Issues – None for MVDC. Selecting strategic options for development will affect wider employment opportunities in the District over the life of the plan.

Consultation – Statutory requirements for consultation are set out in the Town and Country Planning (Local Planning) (England) Regulations 2012. Targeted consultation has take place during preparation of the preferred options plan, to inform development (for example a call for development sites, and liaison with parish councils on modest extensions to villages). A full public consultation will be carried out following publication of the draft 'preferred options' draft Local Plan.

Communications – see consultation. The revised Local Development Scheme will be published on the MVDC website.

6.0 BACKGROUND PAPERS

Appendix 1 – Local Development Scheme 2019-2021

Evidence documents that have been published may be found at www.futuremolevalley.org. All other evidence documents will be published at the same time as the draft 'preferred options' Local Plan.

Local Development Scheme

2019 - 2021

Foreword by Councillor Margaret Cooksey

The vision for Mole Valley in our council strategy is: **a place where a beautiful environment, enterprise and opportunity combine, creating a vibrant place to live, work, and enjoy.**

The Local Development Scheme is the programme for creating the Future Mole Valley Local Plan. It will support the vision for Mole Valley and help deliver the key priorities which are important to its success:

Environment: A highly attractive area with housing that meets local need.

Prosperity: A vibrant local economy with thriving towns and villages.

Community wellbeing: Active communities and support for those who need it.

The Future Mole Valley Local Plan is being prepared in consultation with our communities and will include plans for how land is used in Mole Valley over a 15 year period. We will set out proposals for the homes and other development that the District will need, balanced against the equally important aim of protecting the environment. We will identify opportunities to create more affordable homes and the facilities that support residents to lead active and productive lives.

Our decisions will be informed by the views and wishes of those who live and work in Mole Valley. While there will inevitably be differing views about development we will be looking to give priority to those which meet the future needs of the District, are consistent with national planning policy, and support the key priorities in the council strategy.

Through the Local Plan, and by implementing the Community Infrastructure Levy, we will help to make sure essential infrastructure is in place to support our growing population. We will work with partners and local communities to identify local needs and priorities for investment.

The Future Mole Valley Local Plan will support the council's key priorities for the district's towns and villages, including those to facilitate the transformation of Leatherhead town centre and the promotion of the culture and economy of the market town of Dorking.

Rural communities and businesses will be supported by planning policies which allow them to thrive. At the same time, we will continue to protect and enhance the natural and built environment and ensure our areas of natural beauty are looked after.

Throughout the process, the council will work with local communities, businesses, parish councils, residents associations, neighbourhood forums and partner organisations. Our aim is to bring forward a local plan that promotes responsible decision making, to deliver sustainable development while safeguarding the places we value.

Margaret Cooksey
Cabinet Member for Planning

Annexes

Annex 1 - Existing Planning Policy Documents	6
Annex 2 - Profiles of Proposed Planning Policy Documents	8
Annex 3 - Local Plan Timetable	11
Annex 4 - Local Plan Evidence Base	13

1. Introduction

- 1.1 This document sets out the programme for producing a new Local Plan for the period 2018-2033, to be known as the Future Mole Valley Local Plan.
- 1.2 Mole Valley adopted the Community Infrastructure Levy in January 2017. To support the strategic framework set out in a new Local Plan, the Community Infrastructure Levy will also be reviewed. Details of the programmes for both these documents are included.
- 1.3 This Local Development Scheme 2019 supersedes all previous versions.

2. Existing Planning Documents

- 2.1 The plans and documents that currently make up the Development Plan are listed in Annex 1. These include neighbourhood development plans for the Ashted, Bookham, Capel and Westcott neighbourhood areas.
- 2.2 Mole Valley has published a number of supplementary planning documents. These do not form part of the Development Plan, but do provide guidance on particular planning issues. A list of current supplementary planning documents is also included in Annex 1.

3. Proposed Planning Documents

- 3.1 A profile of the Future Mole Valley Local Plan is provided in Annex 2. In summary, it will set out plans for development in the District over the fifteen years between 2018-2033. It will include targets for delivering new housing, identify locations for new development, and contain policies for guiding the type, scale and mix of new development. It will also set out those areas which will continue to be protected for landscape, heritage or nature conservation purposes.
- 3.2 Once adopted, the Local Plan will supersede the Mole Valley Local Plan 2000, Core Strategy 2009 and Dorking Town Area Action Plan 2012. It will form the basis on which planning applications will be decided in the District. It is a key document in meeting the aims of MVDC's Council Strategy 2019-2024.
- 3.3 The evidence-gathering phase of the Local Plan commenced in 2016 and has, to date included the following items of evidence:
 - Kingston upon Thames and North East Surrey Authorities Strategic Housing Market Assessment, June 2016
 - Economic Development Needs Assessment, updated June 2018
 - Existing Transport Trends & Constraints, March 2017
 - M25 Strategic Noise Assessment, March 2017
 - Duty to Cooperate Scoping Statement May 2017

- Constraints Analysis, May 2017
- Brownfield Call for Sites Sept-Nov 2016 (report published June 2017)
- Brownfield Land Availability Assessment, June 2017
- Sustainability Appraisal Scoping Report and initial assessment of Spatial Strategy Options, June 2017
- Level 1 Strategic Flood Risk Assessment, December 2017
- Gypsy and Traveller Accommodation Assessment, February 2018
- Mole Gap to Reigate Escarpment Special Area of Conservation Air Quality Impact Assessment, June 2018

- 3.4 A public consultation on Issues and Options took place between 1 July and 1 September 2017, entitled Future Mole Valley: Issues and Options. A summary of responses is available online at www.futuremolevalley.org.
- 3.5 The timetable for completion of the Future Mole Valley Local Plan is set out in Annex 3.
- 3.6 It is also proposed to carry out a review of the Community Infrastructure Levy, details of which are set out in Annex 2.
- 3.7 The supplementary planning documents will be reviewed, as required, following adoption of the new Local Plan. As an interim measure, the existing supplementary planning documents will continue to apply where they are consistent with policies contained in the new plan.
- 3.8 On adoption, the council will publish a statement setting out which neighbourhood plan policies remain in conformity with the new Local Plan. It will be open to parish councils or neighbourhood forums to decide whether their neighbourhood development plans need to be reviewed. A review will depend on the extent to which the adopted NDPs remain in general conformity with the new Local Plan and whether neighbourhood forums and parish councils decide to undertake a review.

4. Community Engagement

- 4.1 The views of those who live and work in Mole Valley are important in shaping future development in the District. We want to ensure there is early and meaningful engagement with neighbourhoods, local organisations and businesses.
- 4.2 With that aim in mind, the first stage of public consultation focussed on key evidence, including about the level of development need and the capacity of the District to absorb development, and the options for addressing development needs. A 'brownfield first' approach has been taken, seeking to make the best use of previously developed land before looking at options for greenfield release. Views

expressed during this first consultation helped to identify preferred strategic options for subsequent work.

- 4.3 One particular preferred option – modest additions to rural villages – has prompted engagement with parish councils and village associations in rural areas. Their feedback will help determine how this particular option is progressed.
- 4.4 Following further evidence gathering and analysis, a second phase of public consultation is proposed around the emerging preferred options. This stage will cover a comprehensive range of economic, social and environmental issues together with more detailed site allocations where appropriate.
- 4.5 A further opportunity for engagement will occur as part of the formal process of submission and examination of the draft Local Plan by an independent inspector. The timetable for all these stages is set out in Annex 3.
- 4.6 Mole Valley will continue to use a wide range of media to provide opportunities for individuals and organisations to input to the process.

5. Evidence Base

- 5.1 Decisions on future development in Mole Valley need to be based on up-to-date and relevant evidence. Since the new Local Plan will cover a wide range of economic, social and environmental issues, the evidence base will likewise be broad in scope.
- 5.2 A list of relevant evidence documents to be prepared is set out in Annex 4. The list is not exhaustive and may need to be supplemented by additional evidence to inform more detailed planning work as choices about the strategic direction of the Plan are made.
- 5.3 Where relevant, input into the evidence base will be sought from stakeholders including infrastructure providers, landowners, statutory consultees and local representative groups such as parish councils and residents' associations.

6. Neighbourhood Development Plans

- 6.1 There are four adopted neighbourhood development plans in Mole Valley:
 - Ashtead, by Ashtead Neighbourhood Forum
 - Bookham, by Bookham Neighbourhood Forum
 - Westcott, by Westcott Village Neighbourhood Forum
 - The Parish Wards of Beare Green, Capel, and Coldharbour, by Capel Parish Council

- 6.2 A fifth neighbourhood area has been agreed in the parish of Ockley.
- 6.3 Responsibility for preparation of these neighbourhood development plans lies with their respective forums or parish councils.
- 6.4 The four neighbourhood development plans listed above are all made and form part of the Development Plan for their respective neighbourhood areas.

7. Sustainability Appraisal, Strategic Environmental Assessment and Appropriate Assessment

- 7.1 As part of the planning process, Mole Valley will appraise the emerging Local Plan against defined economic, social and environmental criteria to demonstrate that the plan is sustainable. This is an ongoing process, using an established set of sustainability objectives developed in partnership with other East Surrey planning authorities to appraise the new Local Plan.
- 7.2 Strategic Environmental Assessment is a similar requirement to appraise emerging plans and programmes, focussing on environmental impacts. This requirement is being met as part of the sustainability appraisal work.
- 7.3 A Sustainability Appraisal Scoping Report and initial assessment of Spatial Strategy Options was published in June 2017, along with the Future Mole Valley Issues and Options consultation. The SA/SEA process is ongoing.
- 7.4 The new Local Plan will also be subject to an appropriate assessment (Habitat Regulations Assessment), which will appraise its impact on European Sites for Nature Conservation. The two sites nearest to Mole Valley are:
- Mole Gap to Reigate Escarpment Special Area of Conservation
 - Thames Basin Heaths Special Protection Area
- 7.5 The Habitat Regulations Assessment is also an ongoing process and includes engagement with Natural England and consideration of the cumulative effects of plan-making in other local authorities.

8. Monitoring

- 8.1 Progress against the Local Development Scheme will be reported annually in the Mole Valley Authority Monitoring Report.
- 8.2 The preparation of a Local Plan is complex and can be influenced by many different factors. In particular, the National Planning Policy Framework has recently been updated (January 2019) and has introduced a number of changes to plan-making and

national policies. These changes will be taken into account as the Local Plan is developed.

9. More Information

9.1 If you have any questions about this or any other local development plan document:

- visit the Future Mole Valley Local Plan website at:

In addition to the documents adopted by Mole Valley, the following documents have been produced by Surrey County Council and are relevant to planning in Mole Valley:

Title	Adopted	Document Type
Surrey Waste Plan	May 2008 (under review)	DPD
The Surrey Minerals Plan (Core Strategy and Primary Aggregates)	July 2011	DPD
Minerals Site Restoration	July 2011	SPD
Aggregates Recycling	August 2011	DPD

The following three documents are not Development Plan Documents or Local Development Documents but have been published as guidance notes:

Title	Adopted	Document Type
Policy Statement for 1-41 Lower Road, 33-35 Lower Road and 2 The Mount, Fetcham	October 2002	Guidance Note
Surrey County Council Vehicular and Cycle Parking Guidance	January 2018	Guidance Note
Mole Valley to Reigate Escarpment Special Area of Conservation Guidance Note	September 2013	Guidance Note

Annex 2 – Profiles of Proposed Planning Policy Documents

Title	Future Mole Valley Local Plan 2018-2033, including Policies Map		
Subject	Overall planning framework for Mole Valley including spatial strategy, housing and economic strategy, site allocations and detailed planning policies for the period 2018-2033		
Coverage	District wide		
Document type	Development Plan Document		
Joint working?	The Plan will be developed by Mole Valley alone although it will fulfil its duty to cooperate fully with neighbouring authorities throughout the preparation of the plan, and will use opportunities for joint working in obtaining evidence where appropriate.		
Supersede plans?	Will supersede the Core Strategy 2009, saved policies of the Local Plan 2000, and Dorking Town Area Action Plan 2012.		
Timetable	Stage	Regulation²	Date
Completed			
	Initial Evidence gathering (including Call for Sites 1 - brownfield land)		Spring 2016 to Spring 2017
	Issues and options consultation	R.18	Summer 2017
	Preferred options selected		November 2017
	Call for Sites 2 – greenfield land		Winter 2017/18
	Discussions with parish councils and village associations on modest additions to rural villages		January 2018 – February 2019
Proposed			
	Continued evidence gathering and site analysis		Summer 2018 – Summer 2019
	'Preferred Options' Draft Plan consultation	R.18	October - November 2019
	Review responses and prepare Submission Plan		Winter 2019- Spring 2020
	Submission Version consultation	R.19	Summer 2020
	Submission	R.22	Autumn 2020

Annex 4: Local Plan Evidence Base

Study	Purpose	Comments
Strategic Housing Market Assessment	Determine the objectively assessed needs for housing, including housing mix and affordable housing.	Published June 2016. Now partly superseded by the standard methodology for calculating objectively assessed need in the revised NPPF.
Economic Development Needs Assessment	Determine the objectively assessed needs for economic development.	Published June 2017. Addendum update June 2018.
Constraints Analysis (including Green Belt)	An assessment of the key constraints on development in Mole Valley, including NPPF para 14, footnote 9 constraints.	Report published June 2017. Identifies requirement for further work on Green Belt Review and Habitats Regulations Assessment, in order to inform development and selection of strategic option(s). Update to be published with preferred options plan.
M25 Strategic Noise Assessment	Assess noise issues along M25 corridor and their implications for future housing development	Completed March 2017 and published June 2017 with Constraints Analysis.
Existing Transport Trends and Constraints	Establish evidence base on transport-related data and constraints relevant to Local Plan	Completed March 2017 and published June 2017 with Constraints Analysis.
Duty to Cooperate Scoping Statement	Identify scope of negotiations with neighbouring authorities and other	Completed May 2017 and published June 2017. Will be superseded by statements of common ground to accord with

Study	Purpose	Comments
	bodies under the Duty to Cooperate	revised NPPF.
Brownfield Land Availability Assessment	Analysis of availability of previously developed land to inform Issues and Options consultation.	Published June 2017, following 2016 Brownfield Call for Sites. Further engagement with landowners and developers required prior to Preferred Options consultation. To be incorporated in Strategic Housing and Employment Land Availability Assessment and inform selection of preferred option(s) including detailed site allocations.
Infrastructure Delivery Plan	Summary of plans and programmes by MVDC and partner organisations to deliver new or improved infrastructure and public services	Last updated December 2015 for the purposes of supporting CIL draft charging schedule. Further updates required as Local Plan progresses, including through ongoing engagement with infrastructure providers.
Strategic Flood Risk Assessment – Level 1	To assess areas at risk from flooding.	Published December 2017. Level 2 SFRA to be undertaken as appropriate to support development and selection of preferred option(s) and flooding policy framework in draft Plan.
Ageing Population Housing Assessment	To analyse the specific housing needs arising from an ageing population in Mole Valley, including future needs for accommodation with care in Mole Valley and affordability issues for specialist housing and nursing care.	Assessment underway. To inform selection of preferred strategic option(s) and preparation of appropriate policy framework in draft Plan.

Study	Purpose	Comments
Affordable Housing Strategy	To analyse needs for affordable housing, including overall level of need, tenure mix to address local needs and viability issues relating to delivery of affordable housing alongside market housing	To enable preparation of appropriate affordable housing policy framework in draft Plan
Traveller Accommodation Assessment	To assess the need for traveller accommodation in Mole Valley.	Gypsy and Traveller Accommodation Assessment published February 2018. To inform site allocations for additional gypsy and traveller sites and preparation of appropriate policy framework in draft Plan.
Strategic Housing and Employment Land Availability Assessment	Identify land that is suitable, available and deliverable to meet the needs for housing and employment land.	To draw on Brownfield Land Availability Assessment and Greenfield Call for Sites. Required to inform development of preferred brownfield and greenfield option(s) and inclusion of site allocations in draft Plan. Will be published with Draft Plan (Reg 18).
Settlement boundary reviews and site allocation	To review existing rural village boundaries and possible site allocations in consultation with parish councils and village associations	To inform development of preferred option for modest additions to rural villages. Meetings held during January-February 2018 and July-September 2018.
Strategic Transport Modelling	To model the transport implications of alternative strategic option(s)	Dorking Town Centre Study and Transform Leatherhead traffic modelling in progress. Additional strategic-level modelling underway by Surrey County Council to inform development and selection of preferred strategic sites

Study	Purpose	Comments
Town Centres	Review work carried out for the Dorking Town Area Action Plan and Transform Leatherhead study, carry out additional retail assessment as necessary, and incorporate objectives into Local Plan.	To inform further development of brownfield development option(s) and enable preparation of appropriate town centre policy framework in draft Plan
Neighbourhood Centres	Review boundaries and policy framework for District and Local Centres providing local shopping and other facilities not within town centre locations.	To enable preparation of appropriate neighbourhood centre policy framework in draft Plan
Landscape Character Assessment	To assess the character and value of landscape in Mole Valley.	A landscape character assessment carried out by Surrey County Council in partnership with other Surrey authorities was published in 2015 and will be drawn on as part of the evidence base. Account will also be taken of any emerging conclusions from a review of the Surrey Hills Area of Outstanding Natural Beauty boundary by Natural England.
Habitats Regulation Assessment (Appropriate Assessment)	Assesses the new Local Plan on European sites for nature conservation.	An ongoing process, to inform selection of preferred strategic option(s) and preparation of appropriate policy framework in draft Plan.

Study	Purpose	Comments
Green Infrastructure Strategy	To review green spaces and the extent to which they meet sporting, recreational, biodiversity, and well-being objectives.	A PPG17 Open Space assessment was published in 2007. The GI strategy will build on and update this study as appropriate, along with other relevant data and strategies, including MVDC's Health and Wellbeing Strategy. To inform selection of preferred option(s) and preparation of appropriate policy framework in draft Plan.
Heritage Assessment	To prepare a strategy for conservation and enjoyment of the historic environment in Mole Valley.	To inform preparation of appropriate policy framework in draft Plan
Optional Technical Standards	To gather evidence to determine whether there is a need for additional standards, covering Accessibility and Wheelchair Housing Standards, Water Efficiency Standards, Internal Space Standards and any other related Optional Technical Standards introduced during plan preparation.	To inform preparation of appropriate policy framework in draft Plan
Parking standards	To establish parking requirements for new development.	To inform preparation of appropriate policy framework in draft Plan
Design and Amenity	To review Development Management policies on design, layout and amenity including development of residential garden land; and development in rural areas.	To inform preparation of appropriate policy framework in draft Plan

Study	Purpose	Comments
Sustainability Appraisal and Strategic Environmental Assessment	To appraise emerging options and draft Plan against economic, social and environmental criteria.	An ongoing process, to inform selection of preferred strategic option(s) and preparation of appropriate policy framework in draft Plan.
Viability Assessment for Whole Plan	Assesses the cumulative impact of Local Plan policies on development viability to ensure that the objectives of the Plan are deliverable.	Whole plan viability testing including an assessment of viability for affordable housing, community infrastructure levy charging rates, and sustainable construction requirements.
Monitoring Framework	Develop an appropriate Monitoring Framework for the policies contained in the Future Mole Valley Local Plan, to inform preparation of Authority Monitoring Reports following adoption of the Plan	To inform inclusion of appropriate monitoring framework in draft Plan
