

## **The Council's Offices and your Council Tax!**

We really need your views on the future of MVDC's 'Pippbrook' site in Dorking.

The site currently accommodates a number of different areas/functions:

- a) the Mole Valley District Council civic offices, (including car parking);
- b) the currently vacant, Grade II\* listed Pippbrook House;
- c) public open space and recreational facilities.

The Council is facing important decisions regarding: the costs of running and maintaining the civic office building; the preservation and future use of Pippbrook House; and the future use of other parts of the site.

This is an issue for **all** Council Tax payers, as these decisions will have a direct impact upon costs, Council services, Council Tax and the use of civic facilities for decades to come. **MVDC does not wish to take any decisions until your views are known.**

We would therefore be really grateful if you could spare perhaps 10 minutes of your time to complete a short, simple, online questionnaire to give us your views on this issue.

It can be found at **[www.molevalley.gov.uk](http://www.molevalley.gov.uk)** from Thursday 6 March until Thursday 10 April.

Completing the questionnaire online saves costs and helps minimise Council Tax, but we recognise that some people will not be able to respond in this way. Paper copies can be obtained from the Pippbrook offices in Dorking, or the HelpShop in Leatherhead.

Thank you in advance for providing your views which will be invaluable in helping MVDC to make the decisions regarding the site, later in 2014.
